

INTERIOR CONVERTER GLOSS AND MAT

Akzo Nobel is pleased to announce the introduction of the Lesonal Interior Converter Gloss and Mat to the product line assortment. It continues to be their mission to offer a simple, yet complete product line. The two new toners will enhance the overall value of the Lesonal brand by expanding the systems capabilities from not only exterior refinishing, but interiors as well.

Lesonal Basecoat SB 08 Interior Converter – Gloss 1 Liter

Lesonal Basecoat SB 09 Interior Converter – Matt 1 Liter

Formulas containing the Lesonal Basecoat SB toners 08 and 09 will be on the June Mixit release in all formats. There are approximately 220 interior formulas currently available.
