

New MasterTint® 861J™ Scarlet Toner Now Available

MasterTint® 861J™ Scarlet is a new toner that is used for matching several recent OEM colors.

The specific colors are:

Manufacturer	Paint Code	Color Name	First Year Used
Chrysler	PEL	Inferno Red Effect	1999
Ford	U6	Candy Red Effect	2009
Honda	YR539P(L)	Sunset Orange Effect	2003
Kia	O8	Tropical Red Effect	2006
Mazda	27A	Velocity Red Effect	2004
Mazda	40E	Aquatic Blue Effect	2011
Nissan	A12	Imperial Orange Effect	2004
Suzuki	ZFM	Sunlight Copper 2 Effect	2007
Toyota	3R3	Barcelona Red Effect	2006

861J™ is considered a Limited Use Toner. This means that it is used in a small number of ChromaBase® / ChromaPremier® formulas, and is an alternative to individual factory package colors for some of the codes above. It is suggested that you consider just how often you will require this tint before deciding to place it on your mixing machine.
