

## **WATERBORNE EXPLORATION AND EPA 6H CLARIFICATION DAY**

- When:** Thursday April 15<sup>th</sup>, 2010      **Open:** 9:00am – 3:00pm
- Where:** The Best Western Lehigh Valley Hotel & Conference Center  
300 Gateway Drive Bethlehem, PA 18017
- Why:** To give our customers a one on one opportunity to be able to speak with manufacture representatives to clear up the confusion that exists out in our market place in regards to waterborne technology, products, and needs. As well as a chance to get clarification on the regulations relating to EPA 6H Certification.

**Special Guest:** Cathleen Kennedy  
EPA Region III Air Protection Division Office of Permits and Air Toxics

Our format will be simple. Come anytime during the open hours and visit the booths of our representatives.

This is not going to be an environment focused on selling you anything. We have set this up to be a format to give you answers to your questions.

### **Provided Will Be**

**9:00am – 11:30am: Continental Breakfast**

**12:00pm – 3:00pm: Deli Lunch**
