

U-TECH

DRIVEN BY DURABILITY

R859 & R200 PRODUCT NAME CHANGE

The name of U-Tech R859 Wax and Grease Remover is being changed to R858 Pre-Cleaner in order to follow VOC Regulatory Descriptions

U-Tech R200 Retarder is being changed to R200 X-Slow Reducer in order to clarify the product's true nature.

Although the product names have changed, the item numbers, container size and properties remain the same. New labels for the products will be phased in during the coming weeks.
