

**“I have no time for a *Sales Person!*” “I have a battle to fight!”**

**With our current economy it is more important now than ever to understand the difference between an Order Taker and A Sales Person!!!!!!**

**An Order Taker provides you with what you already know you need to do business the same way day in and day out to fight your daily battles.**

**A Sales Person looks to work with you to uncover the tools and solutions you may or may not even know are there to stay ahead of the daily battles to win the war.**

**KLINER'S – WE PRIDE OURSELVES ON OUR SALES PEOPLE**
