

Refinish

A Partnership with Benefits...The DuPont Dollar Program.

The DuPont Dollar program has been enhanced to provide you with more incentives and opportunities to partner with our Color Lab! Each time you submit a car panel to the Color Lab you are directly contributing to DuPont's on-going campaign to remain a leader in color accuracy.

Rewards for Your Time

- One accepted panel = 1 DuPont Dollar (worth \$10)
- Special Requested Colors = 10 DuPont Dollars (worth \$100)
- An annual luncheon sponsored by DuPont Refinish for the shop with the most accepted panels.

New Panel Requirements

In order to make sure that all accepted panels are useful to the Color Lab, there have been a few changes to the requirements of the panel submissions.

- **Preferred panel size is 6" x 6"**. Any panel smaller than 3" x 5" or larger than 12" x 12" may be rejected.
 - **Panel specifications**
 - Model Year 2004 or newer
 - Metallic, Pearl, & Xirallic colors only (no solid colors)
 - No bumper parts (Unless it represents a separate bumper color)
 - **The following information must be on the back of the panel:**
 - VIN/Make/Model/Code/Year of Production
 - Rep's Name/Shop's Name
- Hint:** The required vehicle information above can be printed from ColorNet.

- **Panel shipments must weigh 30lbs or less.** Shipments weighing over 30lbs will be rejected (for safety reasons).
