## NEW STATE LAWS

**Effective January 29, 2007 all motorists MUST turn on their headlights whenever they use their windshield wipers in inclement weather. This new law applies when wipers are fully on or in intermittent mode. Violators will be fined \$25 but fees/other costs will increase the amount to over \$100!!!**

**Also, motorists will suffer substantial penalties if snow or ice on their vehicle injures or kills someone. It will now be a law that you MUST totally clear your vehicle of snow and ice, not just your windows!**

**This is the first winter this law will be on the books. Spread this information to all PA drivers that you know.**

**Don't get a ticket because you were not knowledgeable about these new laws.**
