

Website Expansion

Due to the fantastic response from our customers in regards to our website

www.klinesauto.com

we are looking to expand it to involve our customers a bit more. We are beginning to gather material for some new sections that we are considering adding. Some of the things that we are looking for are:

Customer Testimonials This is an opportunity for our customers to let others know how being “business partners” with Kline’s benefits them and their business by posting their comments to our website.

Kustomer Korner We are looking for photos of our customers and their hobbies, their hot rods, race cars, street rods, show cars, ATV’s, boats, sporting awards/trophies, and basically anything that defines our customer’s pursuits outside of the industry that we may post to our website.

Please contact your Kline’s Auto, Inc. Sales Representative if you are interested in submitting material for this project.
