

Discontinuation of DuPont® MasterTint(tm) High Solids 517H(tm) Blue Mixing Tint

Please note that DuPont® MasterTint(tm) High Solids 517H(tm) Blue Mixing Tint (gallon size) is being discontinued due to a raw material discontinuation.

There is no direct replacement for the DuPont® MasterTint(tm) High Solids 517H(tm) Blue Mixing Tint. It has been confirmed that reformulating the affected colors is possible using existing mixing toners.

These reformulated color formulas without the use of 517H(tm) are available on ColorNet currently.
