

**AKZO NOBEL**

Discontinuation of  
Microfiche and Floppy Diskette Updates

For many years Akzo Nobel has provided their customers with Mixit updates on microfiche and floppy diskettes. Effective December 2006, these items will be discontinued. Two final updates will be delivered in microfiche and floppy diskette, one in June and the final one in December 2006.

**Beginning with the February 2007 Mixit Update, CD's  
will be the only media provided.**
