All Plastic Primer Reducer has undergone a name change to All Plastic Adhesion Promoter

The new name labeled product has started shipping

This name change was necessary to make the product VOC legal for product categories in VOC regulated markets.

Inform customers and wholesalers that the product is used the exact same way as previous. It is added to Colorbuild Plus Sealer as a reducer when sealing raw plastic parts. It provides adhesion to raw substrate and flexibility of the sealer layer.

OLD RATIO

100 Colorbuild Plus
25 Colorbuild Plus
Sealer Hardener Slow
35 All Plastic Primer Reducer

NEW RATIO

100 Colorbuild Plus
