923-43 Scratch Resistant Clear

929-76 Hardener

In an effort to optimize the Glasurit® portfolio, 923-43 Scratch Resistant Clear and its hardener, 929-76 Hardener are being discontinued.

<u>Product</u>	<u>Description</u>	<u>Size</u>
923-43	Scratch Resistant Clear	1 L
929-76	Hardener	0.5 L

Glasurit currently offers two scratch resistant clears, 923-43 and 923-45. With the discontinuation of 923-43, Glasurit users are recommended to use the 923-45 Scratch Resistant Clear.

929-76 hardener is only used with the 923-43 Scratch Resistant Clear. With the obsolescence of 923-43, there is no longer a need for 929-76 Hardener.
