

## Lesonal Basecoat SB Toner 91P Blue Pearl

As new cleaner and brighter car colors are introduced, Akzo Nobel continues to lead the way in offering the most accurate color match in the industry. With the introduction of Basecoat Toner 91P (SAP # 391083), a blue pearl, Akzo continues to increase their ability to match the more difficult colors in the market.

Toner 91P will **replace** Basecoat Toner 293P (SAP # 390137).

Akzo will supply formulas using Toner 293P for three months to help you to use up what you may have on your machine.
