DRIVEN BY DURABILITY

3.8 Activator – New Container Size

Tremendous sales in the fleet area have prompted increasing demand for larger volume packaging. Sales of the U-Tech 3.8 system have been a large portion of this volume increase. With this in mind, Akzo Nobel is introducing 3.8 Activator in a five gallon fill size.

Item Number	Description	Fill Size	Price
390968	3.8 Activator	5 Gallon	\$ 720.00
