If a Kline's product is determined to be the sole cause of refinish failure within the lifetime of the vehicle (to the owner of said vehicle at the time of repair), Kline's will provide a credit for sufficient materials and reasonable labor necessary to repaint the vehicle. Labor will be determined by the current market labor pricing and hours will be based on the current collision repair manuals (Mitchell or Motors).

Kline's reserves the right of testing any questionable claim and will provide the results to Customer. Proof of Kline's product use is the burden of the Customer.
